NOTICE FOR RESIDENTS OF UTAH

NOTICE TO POLICYHOLDERS

Insurance companies licensed to sell life insurance, health insurance, or annuities in the State of Utah are required by law to be members of an organization called the Utah Life and Health Insurance Guaranty Association ("ULHIGA"). If an insurance company that is licensed to sell insurance in Utah becomes insolvent (bankrupt), and is unable to pay claims to its policyholders, the law requires ULHIGA to pay some of the insurance company's claims. The purpose of this notice is to briefly describe some of the benefits and limitations provided to Utah insureds by ULHIGA.

PEOPLE ENTITLED TO COVERAGE

- You must be a Utah resident.
- You must have insurance coverage under an individual or group policy.

POLICIES COVERED

- ULHIGA provides coverage for certain life, health and annuity insurance policies.

EXCLUSIONS AND LIMITATIONS

Several kinds of insurance policies are specifically excluded from coverage. There are also a number of limitations to coverage. The following are not covered by ULHIGA:

- Coverage through an HMO.
- Coverage by insurance companies not licensed in Utah.
- Self-funded and self-insured coverage provided by an employer that is only administered by an insurance company.
- Policies protected by another state's Guaranty Association.
- Policies where the insurance company does not guarantee the benefits.
- Policies where the policyholder bears the risk under the policy.
- Re-insurance contracts.
- Annuity policies that are not issued to and owned by an individual, unless the annuity policy is issued to a pension benefit plan that is covered.
- Policies issued to pension benefit plans protected by the Federal Pension Benefit Guaranty Corporation.
- Policies issued to entities that are not members of the ULHIGA, including health plans, fraternal benefit societies, state pooling plans and mutual assessment companies.

NOTICE FOR RESIDENTS OF UTAH (continued)

LIMITS ON AMOUNT OF COVERAGE

Caps are placed on the amount ULHIGA will pay. These caps apply even if you are insured by more than one policy issued by the insolvent company. The maximum ULHIGA will pay is the amount of your coverage or \$500,000 — whichever is lower. Other caps also apply:

- \$100,000 in net cash surrender values.
- \$500,000 in life insurance death benefits (including cash surrender values).
- \$500,000 in health insurance benefits.
- \$200,000 in annuity benefits — if the annuity is issued to and owned by an individual or the annuity is issued to a pension plan covering government employees.
- \$5,000,000 in annuity benefits to the contract holder of annuities issued to pension plans covered by the law. (Other limitations apply.)
- Interest rates on some policies may be adjusted downward.

DEFINITIONS (continued)

Disability or **Disabled** means that as a result of Sickness or injury You are either Totally Disabled or Partially Disabled.

For Disability Income Insurance: Short Term Benefits,

Totally Disabled or **Total Disability** means You are unable to perform with reasonable continuity the Substantial and Material Acts necessary to pursue Your Usual Occupation in the usual and customary way.

Partially Disabled or **Partial Disability** means You while actually working in an occupation, You are unable to earn 80% or more of Your Predisability Earnings.

If You are Partially Disabled and have received a Weekly Benefit for 52 weeks, We will adjust Your Predisability Earnings only for the purposes of determining whether You continue to be Partially Disabled and for calculating the Return to Work Incentive, if any. We will make the initial adjustment as follows:

We will add to Your Predisability Earnings an amount equal to the product of:

- Your Predisability Earnings times
- the annual rate of increase in the Consumer Price Index for the prior calendar year.

Annually thereafter, We will add an amount to Your adjusted Predisability Earnings calculated by the method set forth above but substituting Your adjusted Predisability Earnings from the prior year for Your Predisability Earnings. **This adjustment is not a cost of living benefit.**

For purposes of determining whether a Disability is the direct result of an injury, the Disability must have occurred within 90 days of the injury and not as a result of Sickness.

If Your occupation requires a license, the fact that You lose Your license for any reason will not, in itself, constitute Disability.

Substantial and Material Acts means the important tasks, functions and operations generally required by employers from those engaged in Your Usual Occupation that cannot be reasonably omitted or modified. In determining what substantial and material acts are necessary to pursue Your Usual Occupation, We will first look at the specific duties required by Your job. If You are unable to perform one or more of these duties with reasonable continuity, We will then determine whether those duties are customarily required of other employees engaged in Your Usual Occupation. If any specific, material duties required of You by Your job differ from the material duties customarily required of other employees engaged in Your Usual Occupation, then We will not consider those duties in determining what substantial and material acts are necessary to pursue Your Usual Occupation.

Usual Occupation means any employment, business, trade or profession and the Substantial and Material Acts of the occupation You were regularly performing for the employer when the Disability began. Usual Occupation is not necessarily limited to the specific job that You performed for the employer.

For Disability Income Insurance: Long Term Benefits,

Totally Disabled or **Total Disability** means:

During the Elimination Period and the next 24 months, You are unable to perform with reasonable continuity the Substantial and Material Acts necessary to pursue Your Usual Occupation in the usual and customary way.

After such period, You are not able to engage with reasonable continuity in any occupation in which You could reasonably be expected to perform satisfactorily in light of Your:

- age;
- education;

DEFINITIONS (continued)

- training;
- experience;
- station in life; and
- physical and mental capacity

that exists within any of the following locations:

- a reasonable distance or travel time from Your residence in light of the commuting practices of Your community;
- a distance of travel time equivalent to the distance or travel time You traveled to work before becoming disabled; or
- the regional labor market, if You reside or resided prior to becoming disabled in a metropolitan area.

Partially Disabled or **Partial Disability** means You while actually working in an occupation, You are unable to earn 80% or more of Your Predisability Earnings.

If You are Partially Disabled and have received a Monthly Benefit for 12 months, We will adjust Your Predisability Earnings only for the purposes of determining whether You continue to be Partially Disabled and for calculating the Return to Work Incentive, if any. We will make the initial adjustment as follows:

We will add to Your Predisability Earnings an amount equal to the product of:

- Your Predisability Earnings times
- the annual rate of increase in the Consumer Price Index for the prior calendar year.

Annually thereafter, We will add an amount to Your adjusted Predisability Earnings calculated by the method set forth above but substituting Your adjusted Predisability Earnings from the prior year for Your Predisability Earnings. **This adjustment is not a cost of living benefit.**

For purposes of determining whether a Disability is the direct result of an injury, the Disability must have occurred within 90 days of the injury and not as a result of Sickness.

If Your occupation requires a license, the fact that You lose Your license for any reason will not, in itself, constitute Disability.

Substantial and Material Acts means the important tasks, functions and operations generally required by employers from those engaged in Your Usual Occupation that cannot be reasonably omitted or modified. In determining what substantial and material acts are necessary to pursue Your Usual Occupation, We will first look at the specific duties required by Your job. If You are unable to perform one or more of these duties with reasonable continuity, We will then determine whether those duties are customarily required of other employees engaged in Your Usual Occupation. If any specific, material duties required of You by Your job differ from the material duties customarily required of other employees engaged in Your Usual Occupation, then We will not consider those duties in determining what substantial and material acts are necessary to pursue Your Usual Occupation.

Usual Occupation means any employment, business, trade or profession and the Substantial and Material Acts of the occupation You were regularly performing for the employer when the Disability began. Usual Occupation is not necessarily limited to the specific job that You performed for the employer.

SPECIAL RULES FOR GROUPS PREVIOUSLY INSURED UNDER A PLAN OF DISABILITY INCOME INSURANCE

To prevent a loss of insurance because of a change in insurance carriers, the following rules will apply if this Disability Income Insurance replaces a plan of group disability income insurance provided to You by the Policyholder:

Prior Plan means the plan of group disability income insurance provided to You by the Policyholder through another carrier on the day before the Replacement Date.

Replacement Date means the effective date of the Disability Income Insurance under the Group Policy.

Rules for When Insurance Takes Effect if You were Insured Under the Prior Plan on the Day Before the Replacement Date:

- **If You are Actively at Work on the day before the Replacement Date**, You will become insured for Disability Income Insurance under this certificate on the Replacement Date.
- **If You are not Actively at Work on such date because you are Disabled**, You will become insured for Disability Income Insurance under this certificate on the Replacement Date.

We will credit any time You accumulated toward the Elimination Period under the Prior Plan to the satisfaction of the Elimination Period required to be met under this certificate.

Any benefits paid for such Disability will be equal to those that would have been payable to You under the Prior Plan less any amount for which the prior carrier is liable.

Benefit payments for such Disability will end on the earliest of:

- the date that payments end under the subsection DATE BENEFIT PAYMENTS END in this certificate; or
- the date that payments would have ended under the provisions of the Prior Plan of Insurance.
- **If You are not Actively at Work on such date for any other reason**, You will become insured for Disability Income Insurance under this certificate on the date you return to Active Work.

Rules for When Insurance Takes Effect if You were Not Insured Under the Prior Plan on the Day Before the Replacement Date:

- You will be eligible for Disability Income Insurance under this certificate when you meet the eligibility requirements for such insurance as described in ELIGIBILITY PROVISIONS: INSURANCE FOR YOU; and
- We will credit any time You accumulated under the Prior Plan toward the eligibility waiting period under the Prior Plan to the satisfaction of the eligibility waiting period required to be met under this certificate.

Rules for Pre-existing Conditions

In determining whether a Disability is due to a Pre-existing Condition, We will credit You for any time You were insured under the Prior Plan. If Your Disability is due to a Pre-existing Condition as described in this certificate, but would not have been due to a pre-existing condition under the Prior Plan, We will pay a benefit equal to the lesser of:

- the benefit amount under this certificate; or
- the disability income insurance benefit that would have been payable to You under the Prior Plan.

If Your Disability would have been due to a pre-existing condition under the Prior Plan, it will be treated as having been caused by a Pre-Existing Condition under this certificate.

SPECIAL RULES FOR GROUPS PREVIOUSLY INSURED UNDER A PLAN OF DISABILITY INCOME INSURANCE (continued)

Rules for Temporary Recovery from a Disability under the Prior Plan

We will waive the Elimination Period that would otherwise apply to a Disability under this certificate if You:

- received benefits for a disability that began under the Prior Plan (“Prior Plan’s disability”);
- returned to work as an active Full-Time employee prior to the Replacement Date;
- become Disabled, as defined in this certificate, after the Replacement Date and within 90 days of Your return to work due to a sickness or accidental injury that is the same as or related to the Prior Plan’s disability;
- are no longer entitled to benefit payments for the Prior Plan’s disability since You are no longer insured under such Plan; and
- would have been entitled to benefit payments with no further elimination period under the Prior Plan, had it remained in force.

CONTINUATION OF INSURANCE WITH PREMIUM PAYMENT

FOR FAMILY AND MEDICAL LEAVE

Certain leaves of absence may qualify under the Family and Medical Leave Act of 1993 (FMLA) for continuation of insurance. Please contact the Policyholder for information regarding the FMLA.

AT THE POLICYHOLDER'S OPTION

The Policyholder has elected to continue insurance by paying premiums for employees who are not Disabled and cease Active Work in an eligible class for any of the reasons specified below.

Disability Income Insurance will continue for the following periods:

1. for the period You cease Active Work in an eligible class due to accidental injury or Sickness, up to 3 months;
2. for the period You cease Active Work in an eligible class due to any other Policyholder approved leave of absence up to the end of the month You cease Active Work.

At the end of any of the continuation periods listed above, Your insurance will be affected as follows:

- if You resume Active Work in an eligible class at this time, You will continue to be insured under the Group Policy;
- if You do not resume Active Work in an eligible class at this time, Your employment will be considered to end and Your insurance will end in accordance with the **DATE YOUR INSURANCE ENDS** subsection of the section entitled **ELIGIBILITY PROVISIONS: INSURANCE FOR YOU**.

If You return to Active Work for a period of 90 days or less, and then become Disabled again due to the same or related Sickness or accidental injury, We will not require You to complete a new Elimination Period. GENERAL PROVISIONS

Assignment

The rights and benefits under the Group Policy are not assignable prior to a claim for benefits, except as required by law. We are not responsible for the validity of an assignment.

Disability Income Benefit Payments: Who We Will Pay

We will make any benefit payments during Your lifetime to You or Your legal representative. Any payment made in good faith will discharge Us from liability to the extent of such payment.

Upon Your death, We will pay any amount that is or becomes due to Your designated Beneficiary. If there is no Beneficiary designated or no surviving Beneficiary at Your death, We will pay any benefit that is or becomes due, according to the following order:

1. Your Spouse, including Your Domestic Partner, if alive;
2. Your unmarried child(ren) under age 25; if there is no surviving Spouse or Domestic Partner; or
3. Your estate, if there is no such surviving child.

If more than one person is eligible to receive payment, We will divide the benefit amount in equal shares.

Payment to a minor or incompetent will be made to such person's guardian. The term "children" or "child" includes natural and adopted children.

Any periodic payments owed to Your estate may be paid in a single sum. Any payment made in good faith will discharge Us from liability to the extent of such payment.

Entire Contract

Your insurance is provided under a contract of group insurance with the Policyholder. The entire contract with the Policyholder is made up of the following:

1. the Group Policy and its Exhibits, which include the certificate(s);
2. the Policyholder's application; and
3. any amendments and/or endorsements to the Group Policy.

Incontestability: Statements Made by You

Any statement made by You will be considered a representation and not a warranty. We will not use such statement to avoid insurance, reduce benefits or defend a claim unless the following requirements are met:

1. the statement is in a Written application or enrollment form;
2. You have Signed the application or enrollment form; and
3. a copy of the application or enrollment form has been given to You or Your Beneficiary.

We will not use Your statements which relate to insurability to contest Disability Insurance after it has been in force for 2 years during Your life, unless the statement is fraudulent. In addition, We will not use such statements to contest an increase or benefit addition to such insurance after the increase or benefit has been in force for 2 years during Your life, unless the statement is fraudulent.

Misstatement of Age

If Your age is misstated, the correct age will be used to determine if insurance is in effect and, as appropriate, We will adjust the benefits and/or premiums.

GENERAL PROVISIONS (continued)

Conformity with Law

If the terms and provisions of this certificate do not conform to any applicable law, this certificate shall be interpreted to so conform.

Physical Exams

If a claim is submitted for insurance benefits, We have the right to ask the insured to be examined by a Physician(s) of Our choice as often as is reasonably necessary to process the claim. We will pay the cost of such exam.

Autopsy

We have the right to make a reasonable request for an autopsy where permitted by law. Any such request will set forth the reasons We are requesting the autopsy.

Overpayments for Disability Income Insurance

Recovery of Overpayments

We have the right to recover any amount that We determine to be an overpayment.

An overpayment occurs if We determine that:

- the total amount paid by Us on Your claim is more than the total of the benefits due to You under this certificate; or
- payment We made should have been made by another group plan.

If such overpayment occurs, You have an obligation to reimburse Us. Our rights and Your obligations in this regard are described in the reimbursement agreement that You are required to sign when You submit a claim for benefits under this certificate. This agreement:

- confirms that You will reimburse Us for all overpayments; and
- authorizes Us to obtain any information relating to sources of Other Income.

How We Recover Overpayments

We may recover the overpayment from You by:

- stopping or reducing any future Disability benefits, including the Minimum Benefit, payable to You or any other payee under the Disability sections of this certificate;
- demanding an immediate refund of the overpayment from You; and
- taking legal action.

If the overpayment results from Our having made a payment to You that should have been made under another group plan, We may recover such overpayment from one or more of the following:

- any other insurance company;
- any other organization; or
- any person to or for whom payment was made.

SPECIAL SERVICES

Social Security Assistance Program

If your claim for Disability benefits under this plan is approved, MetLife provides you with assistance in applying for Social Security disability benefits. Before outlining the details of this assistance, you should understand why applying for Social Security disability benefits is important.

Why You Should Apply For Social Security Disability Benefits

Both you and your employer contribute payroll taxes to Social Security. A portion of those tax dollars are used to finance Social Security's program of disability protection. Since your tax dollars help fund this program, it is in your best interest to apply for any benefits to which you may be entitled. Your spouse and children may also be eligible to receive Social Security disability benefits due to your Disability. There are several reasons why it may be to your financial advantage to receive Social Security disability benefits. Some of them are:

1. Avoids Reduced Retirement Benefits

Should you become disabled and approved for Social Security disability benefits, Social Security will freeze your earnings record as of the date Social Security determines that your disability has begun. This means that the months/years that you are unable to work because of your disability will not be counted against you in figuring your average earnings for retirement and survivors benefit.

2. Medicare Protection

Once you have received 24 months of Social Security disability benefits, you will have Medicare protection for hospital expenses. You will also be eligible to apply for the medical insurance portion of Medicare.

3. Trial Work Period

Social Security provides a trial work period for the rehabilitation efforts of disabled workers who return to work while still disabled. Full benefit checks can continue for up to 9 months during the trial work period.

4. Cost-of-Living Increases Awarded by Social Security Will Not Reduce Your Disability Benefits

MetLife will not decrease your Disability benefit by the periodic cost-of-living increases awarded by Social Security. This is also true for any cost-of-living increases awarded by Social Security to your spouse and children.

This is called a Social Security "freeze." It means that only the Social Security benefit awarded to you and your dependents will be used by MetLife to reduce your Disability benefit; with the following exceptions:

- a) an error by Social Security in computing the initial amount;
- b) a change in dependent status; or
- c) your Employer submitting updated earnings records to Social Security for earnings received prior to your Disability.

Over a period of years, the net effect of these cost-of-living increases can be substantial.

How MetLife Assists You in the Social Security Approval Process

As soon as you are approved for Disability benefits, MetLife begins assisting you with the Social Security approval process.

SPECIAL SERVICES

1. Assistance Throughout the Application Process

MetLife has a dedicated team of Social Security Specialists. These Specialists, many of whom have worked for the Social Security Administration, are also located within our Claim Department. They provide expert assistance up front, offer support while you are completing the Social Security forms, and help guide you through the application process.

2. Guidance Through Appeal Process by Social Security Specialists

Social Security disability benefits may be initially denied, but are often approved following an appeal. If your benefits are denied, our dedicated team of Social Security Specialists provides expert assistance on an appeal if your situation warrants continuing the appeal process. They guide you through each stage of the appeal process. These stages may include:

- a) Reconsideration by the Social Security Administration
- b) Hearing before an Administrative Law Judge
- c) Review by an Appeals Council established within the Social Security Administration in Washington, D.C.
- d) A civil suit in Federal Court.

3. Social Security Attorneys

Depending on your individual needs, MetLife may provide a referral to an attorney who specializes in Social Security law. The Social Security approved attorney's fee is credited to the Long Term Disability overpayment, which results upon your receipt of the retroactive Social Security benefits. The attorney's fee, which is capped by Social Security law, will be deducted from the lump sum Social Security Disability benefits award and will not be used to further reduce your Long Term Disability benefit.

Early Intervention Program

The MetLife Early Intervention Program is offered to all covered employees, and your participation is voluntary*. The program helps identify early those employees who might benefit from vocational analyses and rehabilitation services before they are eligible for Long Term Disability benefits. Early rehabilitation efforts are more likely to reduce the length of your Long Term Disability and help you return to work sooner than expected.

If you cannot work, or can only work part-time due to a disability, your employer will notify MetLife. Our Clinical Specialists may be able to assist you by:

1. Reviewing and evaluating your disabling condition, even before a claim for Long Term Disability benefits is submitted (with your consent);
2. Designing individualized return to work plans that focus on your abilities, with the goal of return to work;
3. Identifying local community resources;
4. Coordinating services with other benefit providers, including: medical carrier, short term disability carrier,* workers' compensation carrier, and state disability plans;
5. Monitoring return to work plans in progress and modifying them as recommended by the attending physician (with your consent).

Our assistance is offered at no cost to either you or your employer.

* If you also have MetLife Short Term Disability coverage or Salary Continuance Plan Management, these services are provided automatically. Notification by your employer is not necessary.

SPECIAL SERVICES

Return To Work Program

Goal of Rehabilitation

The goal of MetLife is to focus on employees' abilities, instead of disabilities. This "abilities" philosophy is the foundation of our Return to Work Program. By focusing on what employees can do versus what they can't, we can assist you in returning to work sooner than expected.

Incentives For Returning To Work

Your Disability plan is designed to provide clear advantages and financial incentives for returning to work either full-time or part-time, while still receiving a Disability benefit. In addition to financial incentives, there may be personal benefits resulting from returning to work. Many employees experience higher self-esteem and the personal satisfaction of being self-sufficient and productive once again. If it is determined that you are capable, but you do not participate in the Return to Work Program, your Disability benefits may cease.

Return-to-Work Services

As a covered employee you are automatically eligible to participate in our Return-to-Work Program. The program aims to identify the necessary training and therapy that can help you return to work. In many cases, this means helping you return to your former occupation, although rehabilitation can also lead to a new occupation which is better suited to your condition and makes the most of your abilities. There is no additional cost to you for the services we provide, and they are tailored to meet your individual needs. These services include, but are not limited to, the following:

1. Vocational Analyses

Assessment and counseling to help determine how your skills and abilities can be applied to a new or a modified job with your employer.

2. Labor Market Surveys

Studies to find jobs available in your locale that would utilize your abilities and skills. Also identify one's earning potential for a specific occupation.

3. Retraining Programs

Programs to facilitate return to your previous job, or to train you for a new job.

4. Job Modifications/Accommodations

Analyses of job demands and functions to determine what modifications may be made to maximize your employment opportunities.

This also includes changes in your job or accommodations to help you perform the previous job or a similar vocation, as required of your employer under the Americans With Disabilities Act (ADA).

5. Job Seeking Skills and Job Placement Assistance

Special training to identify abilities, set goals, develop resumes, polish interviewing techniques, and provide other career search assistance.

Return-to-Work Program Staff

The Case Manager handling your claim will coordinate return-to-work services. You may be referred to a clinical specialist, such as a Nurse Consultant, Psychiatric Clinical Specialist, or Vocational Rehabilitation Consultant, who has advanced training and education to help people with disabilities return to work. One of our clinical specialists will work with you directly, as well as with local support services and resources. They have returned hundreds of individuals to meaningful, gainful employment.

SPECIAL SERVICES

Rehabilitation Vendor Specialists

In many situations, the services of independent vocational rehabilitation specialists may be utilized. Services are obtained at no additional cost to you; MetLife pays for all vendor services. Selecting a rehabilitation vendor is based on:

1. attending physician's evaluation and recommendations;
2. your individual vocational needs; and
3. vendor's credentials, specialty, reputation and experience.

When working with vendors, we continue to collaborate with you and your doctor to develop an appropriate return-to-work plan.

CLAIMS INFORMATION

Disability Benefits Claims

Routine Questions

If there is any question about a claim payment, an explanation may be requested from the Employer who is usually able to provide the necessary information.

Claim Submission

For claims for disability benefits, the claimant must report the claim to MetLife and, if requested, complete the appropriate claim form. The claimant must also submit the required proof as described in the "Filing A Claim" section of the certificate.

Claim forms requested by MetLife must be submitted in accordance with the instructions on the claim form.

Initial Determination

After you submit a claim for disability benefits to MetLife, MetLife will review your claim and notify you of its decision to approve or deny your claim.

Such notification will be provided to you within a reasonable period, not to exceed 45 days from the date you submitted your claim; except for situations requiring an extension of time because of matters beyond the control of the Plan, in which case MetLife may have up to two (2) additional extensions of 30 days each to provide you such notification. If MetLife needs an extension, it will notify you prior to the expiration of the initial 45 day period (or prior to the expiration of the first 30 day extension period if a second 30 day extension period is needed), state the reason why the extension is needed, and state when it will make its determination. If an extension is needed because you did not provide sufficient information or filed an incomplete claim, the time from the date of MetLife's notice requesting further information and an extension until MetLife receives the requested information does not count toward the time period MetLife is allowed to notify you as to its claim decision. You will have 45 days to provide the requested information from the date you receive the extension notice requesting further information from MetLife.

If MetLife denies your claim in whole or in part, the notification of the claims decision will state the reason why your claim was denied and reference the specific Plan provision(s) on which the denial is based. If the claim is denied because MetLife did not receive sufficient information, the claims decision will describe the additional information needed and explain why such information is needed. Further, if an internal rule, protocol, guideline or other criteria was relied upon in making the denial, the claims decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge.

Appealing the Initial Determination

If MetLife denies your claim, you may appeal the decision. Upon your written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim. You must submit your appeal to MetLife at the address indicated on the claim form within 180 days of receiving MetLife's decision. Appeals must be in writing and must include at least the following information:

- Name of Employee
- Name of the Plan
- Reference to the initial decision
- An explanation why you are appealing the initial determination

As part of your appeal, you may submit any written comments, documents, records, or other information relating to your claim.

After MetLife receives your written request appealing the initial determination, MetLife will conduct a full and fair review of your claim. Deference will not be given to the initial denial, and MetLife's review will look at the claim anew. The review on appeal will take into account all comments, documents, records, and other information that you submit relating to your claim without regard to whether such information was submitted or considered in the initial determination. The person who will review your appeal will not be the same person as the person who made the initial decision to deny your claim. In addition, the person who is reviewing the appeal will not be a subordinate of the person who made the initial decision to deny your claim. If the initial denial is based in whole or in part on a medical judgment, MetLife will consult with a health care professional with appropriate training and experience in the field of medicine involved in the medical judgment. This health care professional will not have consulted on the initial determination, and will not be a subordinate of any person who was consulted on the initial determination.

MetLife will notify you in writing of its final decision within a reasonable period of time, but no later than 45 days after MetLife's receipt of your written request for review, except that under special circumstances MetLife may have up to an additional 45 days to provide written notification of the final decision. If such an extension is required, MetLife will notify you prior to the expiration of the initial 45 day period, state the reason(s) why such an extension is needed, and state when it will make its determination. If an extension is needed because you did not provide sufficient information, the time period from MetLife's notice to you of the need for an extension to when MetLife receives the requested information does not count toward the time MetLife is allowed to notify you of its final decision. You will have 45 days to provide the requested information from the date you receive the notice from MetLife.

If MetLife denies the claim on appeal, MetLife will send you a final written decision that states the reason(s) why the claim you appealed is being denied and references any specific Plan provision(s) on which the denial is based. If an internal rule, protocol, guideline or other criteria was relied upon in denying the claim on appeal, the final written decision will state the rule, protocol, guideline or other criteria or indicate that such rule, protocol, guideline or other criteria was relied upon and that you may request a copy free of charge. Upon written request, MetLife will provide you free of charge with copies of documents, records and other information relevant to your claim.

Discretionary Authority of Plan Administrator and Other Plan Fiduciaries

In carrying out their respective responsibilities under the Plan, the Plan administrator and other Plan fiduciaries shall have discretionary authority to interpret the terms of the Plan and to determine eligibility for and entitlement to Plan benefits in accordance with the terms of the Plan. Any interpretation or determination made pursuant to such discretionary authority shall be given full force and effect, unless it can be shown that the interpretation or determination was arbitrary and capricious.

STATEMENT OF ERISA RIGHTS

The following statement is required by federal law and regulation.

As a participant in the Plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan administrator's office and at other specified locations, all Plan documents, including insurance contracts and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts and copies of the latest annual report (Form 5500 Series) and updated summary plan descriptions. The administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries.

No one, including your employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the Plan administrator to provide the materials and pay you up to \$110 a day until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court.

In addition, if you disagree with the Plan's decision or lack thereof concerning the qualified status of a domestic relations order or a medical child support order, you may file suit in a Federal court.

If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court.

The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees.

If you lose, the court may order you to pay these costs and fees; for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

FUTURE OF THE PLAN

It is hoped that the Plan will be continued indefinitely, but JM Eagle reserves the right to change or terminate the Plan in the future. Any such action would be taken only after careful consideration.

The Board of Directors of JM Eagle shall be empowered to amend or terminate the Plan or any benefit under the Plan at any time.
