**J-M MANUFACTURING DONATES PVC PIPES FOR
NON-PROFIT CONSTRUCTION PROJECT**

*Orange County Center Against Domestic Violence Receives Pipe Donation
For New Facility In Orlando, Florida*

Livingston, NJ – November 7, 2006 – J-M Manufacturing Company, Inc. (JMM), the largest producer of plastic pipe in the world, has donated 2,640 feet of C900 DR18 PVC Water Distribution pipe and 336 feet of SDR35 PVC Gravity Sewer pipe to Harbor House, also known as the Orange County Center Against Domestic Violence, in Orlando, Florida.

The new, 7,500 square foot facility will be able to house 48 people, in addition to staff, thus offering refuge from domestic violence to those in the Orlando area. Amenities include fully furnished common areas, a play-room filled with toys and an outdoor playground for children. In the future, the center hopes to create a peaceful outdoor area complete with a garden, park benches, and a water fountain. Harbor House has provided temporary safe shelter to over 10,000 women and children over the years. In addition to shelter, they offer a 24-hour crisis hotline and counseling services for both adults and children.

About Harbor House:

Harbor House, Orange County Center Against Domestic Violence, a private nonprofit 501 (c) 3 organization was founded in 1977 to bring relief to the plight of the battered women within the community. To learn more, visit www.harborhouseoccadv.com.

About J-M Manufacturing Company, Inc.

J-M Manufacturing Company, Inc. was formed in 1982 with the acquisition of eight pipe manufacturing facilities. Today, the company operates 14 manufacturing plants across the United States, with headquarters in Livingston, New Jersey. JMM produces water, sewer, solvent weld, electrical conduit, ABS and polyethylene pipe in diameters ranging from ½" to 48" for PVC and ½" to 63" in HDPE. JMM is dedicated to developing the plastic pipe market by offering superior products, unparalleled quality, and ensuring that its business makes a positive contribution to the environment, the communities it serves, its customers, and employees. For additional information, visit J-M Manufacturing on the web at www.jmm.com.
